Note for the *Reading* and *Writing* strands

In the *Reading* and *Writing* strands the learning objectives listed under Fiction apply to **both** fiction and non-fiction. The learning objectives listed under Non-fiction are only those that are more relevant in the context of non-fiction.

Introduction

Welcome to the Cambridge Secondary 1 English curriculum framework.

This framework provides a comprehensive set of progressive learning objectives for English. The objectives detail what the learner should know or what they should be able to do in English in each year of lower secondary education. They provide a structure for teaching and learning and a reference against which learners' ability and understanding can be checked.

The Cambridge Secondary 1 English curriculum promotes an enquiry-based approach to learning to develop thinking skills and encourage intellectual engagement. The curriculum is presented in five content areas. *Phonics, spelling and vocabulary* and *Grammar and punctuation* relate to use of English. *Grammar and punctuation* is further divided into *Reading* and *Writing* to reflect the different ways in which grammar and punctuation are applied in each of these skills. *Reading, Writing, and Speaking and listening* are about developing thinking skills and encouraging intellectual engagement. The learning objectives span knowledge and understanding and other qualities. This curriculum encourages learners who are confident, creative and intellectually engaged, capable of applying their skills to respond to a range of information, media and texts with enjoyment and understanding. Learners who follow this framework will develop a first language competency in English based on a curriculum designed to be successful in any culture and to promote cross-cultural understanding. The Cambridge Secondary 1 English curriculum framework continues the journey from the primary English framework and provides a solid foundation upon which the later stages of education can be built.

The Cambridge Curriculum is founded on the values of the University of Cambridge and best practice in schools. The curriculum is dedicated to developing learners who are confident, responsible, innovative and engaged. Each curriculum framework for English, mathematics and science is designed to engage learners in an active and creative learning journey.

Stage 7

Phonics, spelling and vocabulary

- Spell correctly most words used.
- Increase knowledge of word families, roots, derivations, morphology and regular spelling patterns.
